INTRODUCTION

Over the course of the last two decades, I have been committed to the field of Child Welfare and supporting families where children resist contact with a parent or caregiver, utilizing my skills in understanding and treating the family system. I am a skilled clinician in terms of the assessment of risk, diagnosis and the development of treatment plans for children and their families. As an expert in the field of child and family forensics and adoption issues, I consult to many facing adversities.

PROFESSIONAL EXPERIENCE

**May 1996 to Present *Court Investigator –
Guardian Ad Litem – Parenting Coordinator-Evaluator Expert***
PATRICIA BRADY & ASSOCIATES-MEDFORD, MA

- Conduct independent interviews with all parties and professionals involved with children and families brought to the attention of the court;
- Observe and assess parent/child contact
- Review records, mental health reports, psychological assessments;
- Evaluate high conflict family systems where issues of custody, access, and safety are at issue;
- Prepare a comprehensive report on the findings in a timely manner, including a summary and recommendations for the court's consideration;
- Testify as an expert witness in child custody hearings/trials;
- Coordinate parenting plans in high conflict divorce and custody actions;
- Provide written explanations on decisions rendered in a timely manner; and
- Intervene where disputes exist and mediate a resolution driven by the principle "in the best interests of the child/children."

JANUARY 2017 TO PRESENT *Founder – Program Director*
THE CENTER FOR ACHIEVING BALANCE FOR CHILDREN AND FAMILIES

- Facilitate healthy relationships for children and families overcoming adversities and building resilience;
- Interface with family members, professionals, and key supports in order to insure effective treatment planning;
- Mediate with parties in a manner designed to assist them in navigating life changes
- Oversee supervised parent program;
- Parent Coaching with families where relationships have been strained

July 2007 to Present *Forensic Evaluator-Consultant*
Massachusetts General Hospital Law and Psychiatry Program – Boston, MA

- Conduct forensic evaluations in child welfare cases involving issues related to parental fitness, where children have been alleged to be victims of severe abuse and/or neglect or subject to a high conflict custody disputes;
- Interview family members and collaterals in an effort to gather all perspectives
- Examine records from a variety of disciplines;
- Integrate data gathered and psychological testing in formulating a clinical opinion/recommendations;
- Prepare a report bringing together all of the data collected; and
- Appear in court as a witness in child custody proceedings.

December 2009 to July 2013

CHILDREN'S HOSPITAL FAMILY CONNECTIONS PROGRAM – BOSTON, MA

Senior Mental Health Consultant Supervisor

- Provided training to early care professionals on mental health for young children using training modules while integrating the Brazelton Touchpoints Approach;
- Promoted resilience in children, families, and providers involved in early care for children;
- Consulted with early care providers, children, and their families where there is crisis using touch point strategies;
- Supervised Mental Health Consultant in Community Based Early Care and Education Programs in the city of Boston

February 2005 to April, 2010

***MSPCC – ACT OF LOVE ADOPTIONS and AFT Adoptive Families Together-
BOSTON, MA***

Clinical Director

- Supervised social work staff related to clinical work in a domestic infant adoption program;
- Developed programs for the purpose expanding clinical adoption services with the goal being to prevent the disruption of the adoption in accordance with the mission of the agency;
- Directed clinical staff in the completion of child adoption assessments, home studies, and post adoption clinical intervention;
- Approved adoption plans to allow for finalization of the adoption for the identified children;
- Oversaw the Program budget in a fiscally responsible manner;
- Ensured compliance with the Office for Child Care Services and Good Case Practice;
- Provided training to staff and prospective adoptive families on clinical issues related to adoption; and
- Advocated for advancement in child welfare programs and mental health services for children.
